

*The restaurant's menu has been curated by our chef, Sakis Kalliontzis, according to the philosophy of VP Legacy Group and the gastronomic identity of the Dodecanese. Our aim is to highlight the benefits of the Mediterranean diet in order to offer you ingredients of high nutritional value and flavours inextricably linked to the gastronomic identity of our region.*

*We ensure the management of hygiene, safety and quality of the products that we offer you and we are ISO 22000:2018 (HACCP) certified.*

*A special list of allergens is available in the restaurant. In case of allergy or intolerance to food or food ingredients, please inform the staff in time.*

*The restaurant offers vegetarian or vegan options. Please consult the staff when ordering.*

*For the preparation of dishes we use extra virgin olive oil, local thyme honey, Greek cheeses (feta, local wine cheese, gruyere, etc.). The potatoes we serve are fresh.*

*Frozen products are marked with an asterisk (\*).*

*We provide printed forms at a special designated area by the exit for complaints.*
